PROFESSIONAL EXPERIENCE

Level 1 Technician | Next Level Technologies, Worthington, OH | Sep 2024-Jun 2025

• Delivered Tier 1 and Tier 2 technical support for Windows and macOS users.

• Created and maintained IT documentation, including password reset procedures for Active Directory and Azure environments.

• Resolved RMM alerts and service tickets while escalating complex issues when appropriate.

• Diagnosed and resolved hardware, software, Microsoft 365, and network issues.

• Repaired and replaced laptop screens, batteries, docking stations, UPS systems, and other hardware components.

• Managed Microsoft 365 user accounts, including provisioning, terminations, shared mailboxes, and distribution lists.

IT Help Desk Intern | Root Insurance, Columbus, OH | Jan 2024-Apr 2024

• Provided Tier 1 and Tier 2 IT support by diagnosing and resolving hardware, software, and end-user technical issues.

• Assisted employees with troubleshooting client-side applications while minimizing downtime.

• Supported enterprise PBX systems to ensure reliable communication services.

IT Technician Intern | Root Insurance, Columbus, OH | Jun 2023-Aug 2023

• Maintained accurate hardware inventory records through asset tracking and documentation.

• Assisted with hardware deployment and inventory management to support onboarding and equipment lifecycle processes.

• Performed secure data wiping and reimaging of Mac devices before redeployment or disposal.

Available: Summer 2027
